On January 27, 2017, the Office of Administrative Law approved the attached changes to Commission Regulations, Procedures, Training and Testing Specifications for Basic Courses, POST Basic Courses Test Management and Security Protocols.

Revisions include text updates to several Regulation sections: 1001, 1005, 1007, 1008, 1009, 1018, 1080, and 1083 and PAM Section D. These changes replace the existing knowledge test format with three major comprehensive tests in order to increase the security of the test material and reduce presenter workloads.
